Interest Rate & Annual Percentage Yield

Compounding & Crediting:

Interest will be compounded on a monthly basis in your Kasasa Saver account. Interest will be credited to your Kasasa Saver account of the last day of the Statement Cycle. Interest begins to accrue no later than the business day we receive credit for the deposit of non-cash items (for example, checks).

Balance Computation Method:

We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day for the period. The period we use is Statement cycle.

Additional Information:

\$100.00 minimum deposit is required to open each account and no minimum balance is required to obtain the accounts rewards. You must have a Kasasa Cash Back account in order to open a Kasasa Saver account, and the Kasasa Cash Back account must remain open throughout the period that you hold the Kasasa Saver account. The primary owner must be the same on both accounts. In the event that you or we close your Kasasa Cash Back account, your Kasasa Saver account will be closed as well. Enrollment in online banking and receipt of electronic statements are conditions of this account. If these conditions are not met within sixty (60) days of account opening, First National Bank of Jeanerette reserves the right to convert your Kasasa Cash Back and Kasasa Saver accounts into different accounts, which may incur a monthly service fee. This account is not to be used for commercial purposes and there is a limit of one (1) Kasasa Cash or Cash Back account and one (1) Kasasa Saver account in which you are the primary owner. There are no fees to open or close this account. There are no recurring monthly service charges associated with this account. See accompanying fee schedule of applicable fees that may apply to this account. Enrollment in electronic services (e.g. online banking, electronic statements) are required to meet some of this account's qualifications. Kasasa Saver Transfer Limitations

The number of transfers from Kasasa Saver to another account in your name or withdrawals that you make in-person, by mail or at an ATM are unlimited. Also, transfers or deposits into your Kasasa Saver are unlimited. During each Statement Cycle, you may also make up to six (6) transfers or withdrawals to another account in your name at this financial institution or to a third party via pre-authorized transfers or withdrawals, telephone banking, online banking, or mobile banking. Included in the aggregate six (6) transfers or withdrawals are transfers to a third party, if made by check, or at point of sale terminals using your ATM or debit card. These transactions are considered made on the date the transaction posts and settles to your account, not on the date the withdrawal request was initiated. Repeated violations of the transfer and withdrawal limitations will result in the removal of transfer rights and/or the closure of the Kasasa Saver account.

Purpose and Expected Use of Account

The Kasasa Cash Back account that is linked to Kasasa Saver account is intended to be the accountholder's primary checking account in which deposit transactions and day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, and other transactions which are posted and settled.

Commensurate with the spending activities identified above, we expect the attached Kasasa Cash Back account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

First National Bank of Jeanerette reserves the right to determine if the attached Kasasa Cash Back account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over three (3) consecutive Statement Cycles. The attached Kasasa Saver account will also be closed if the Kasasa Cash Back account is converted or closed.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to your termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A First National Bank of Jeanerette check for the remaining balance, if applicable, will be mailed to the accountholder at the address indicated on our current records. Upon termination of your Kasasa Cash Back and/or Kasasa Saver account, any optional add-on products/services associated with this account will also be terminated at the same time.
