

How to deposit a check using Mobile Check Deposit

1. Endorse the check by:
 - a. Signing the back
 - b. Write "Mobile Deposit Only" underneath it in print.
 - c. See screenshot below for reference

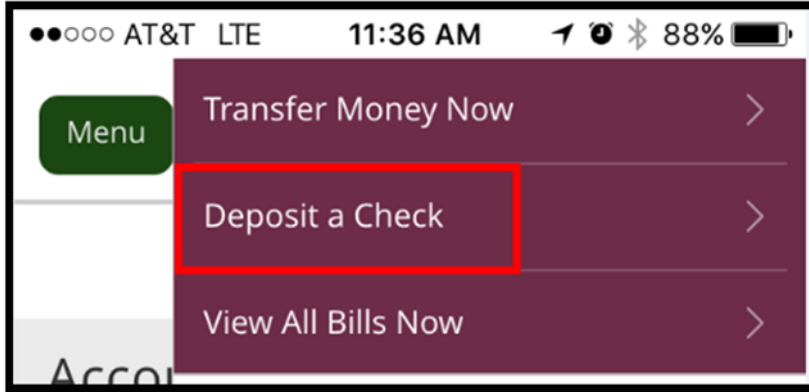

2. Log into our Mobile App and select the "More" button in the top right hand corner

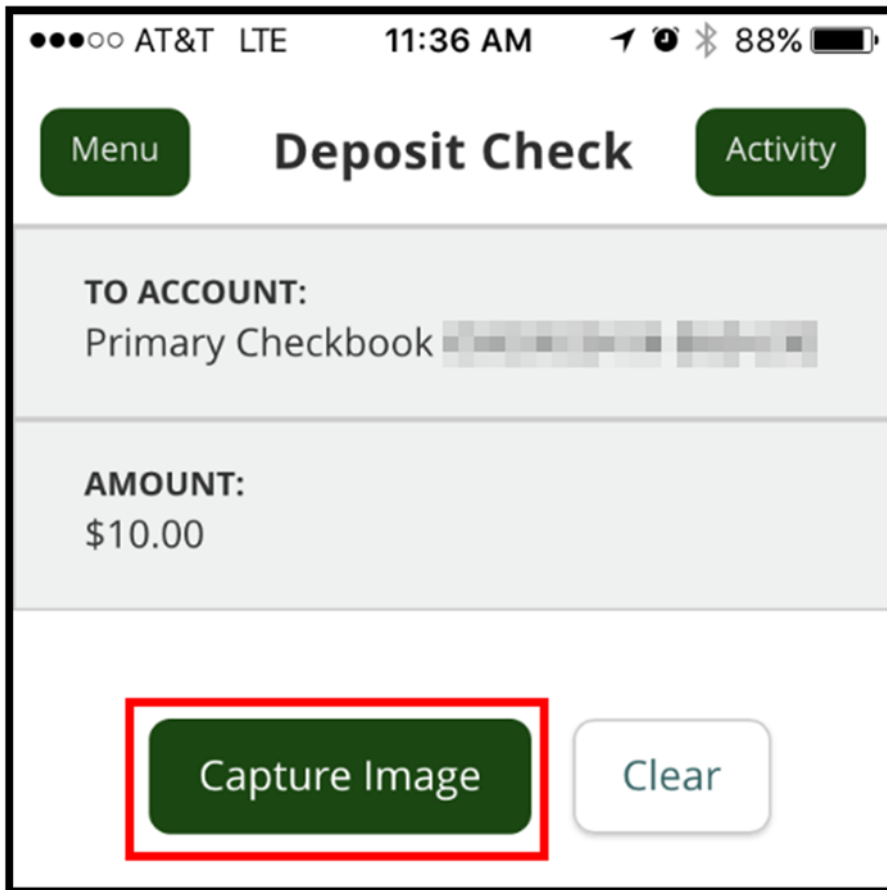

3. Select "Deposit a Check"

4. Select the account, enter in the amount of the check and select "Capture Image"

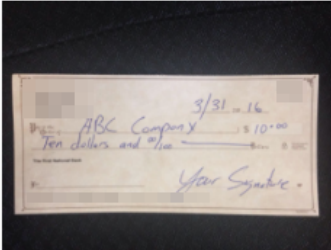

5. After selecting "Capture Image" you will then take a picture of the front and back of the check. Make sure that you place the check on a dark background and that the image is clear when you capture it.
6. Review the deposit. If everything looks good, select "Submit Deposit".
